Dear Sir

Enclosed please find Harmon
Hoover's application for pension.
The certificates of witnesses will be
forwarded corroborating the statements
in application as soon as possible.
We think doubtless you will find
sufficient evidence in the archives
of State to warrant you in issuing
certificate as provided by law setting
said Hoover to pension as per acts
Aug 13, 1870, April 22, 1894. Should you
not advise us of some early as
practicable by which ^{time} it is probable
we will have the certificates of
witnesses necessary.

Very truly yours

Sticks Hobby & Cooper
